With Halloween around the corner from our meeting, we ask that you submit "Scary Echo or Vascular" images/clips in a PowerPoint presentation with a brief description of the study being presented (find out more on our website or by scanning QR code).

The cases selected by the committee will be presented in our meeting. Prizes will be given for the best cases. We are all very excited to see your work, and are looking forward to seeing all of you in October!

Mark your calendars and start preparing your cases. Be sure to join our society and follow-us in social media to stay tuned for the webinar registration details to follow.
